Architectural design for a new multi functional community, art, education, hospitality and trainign center!

FIRST FLOOR PLAN

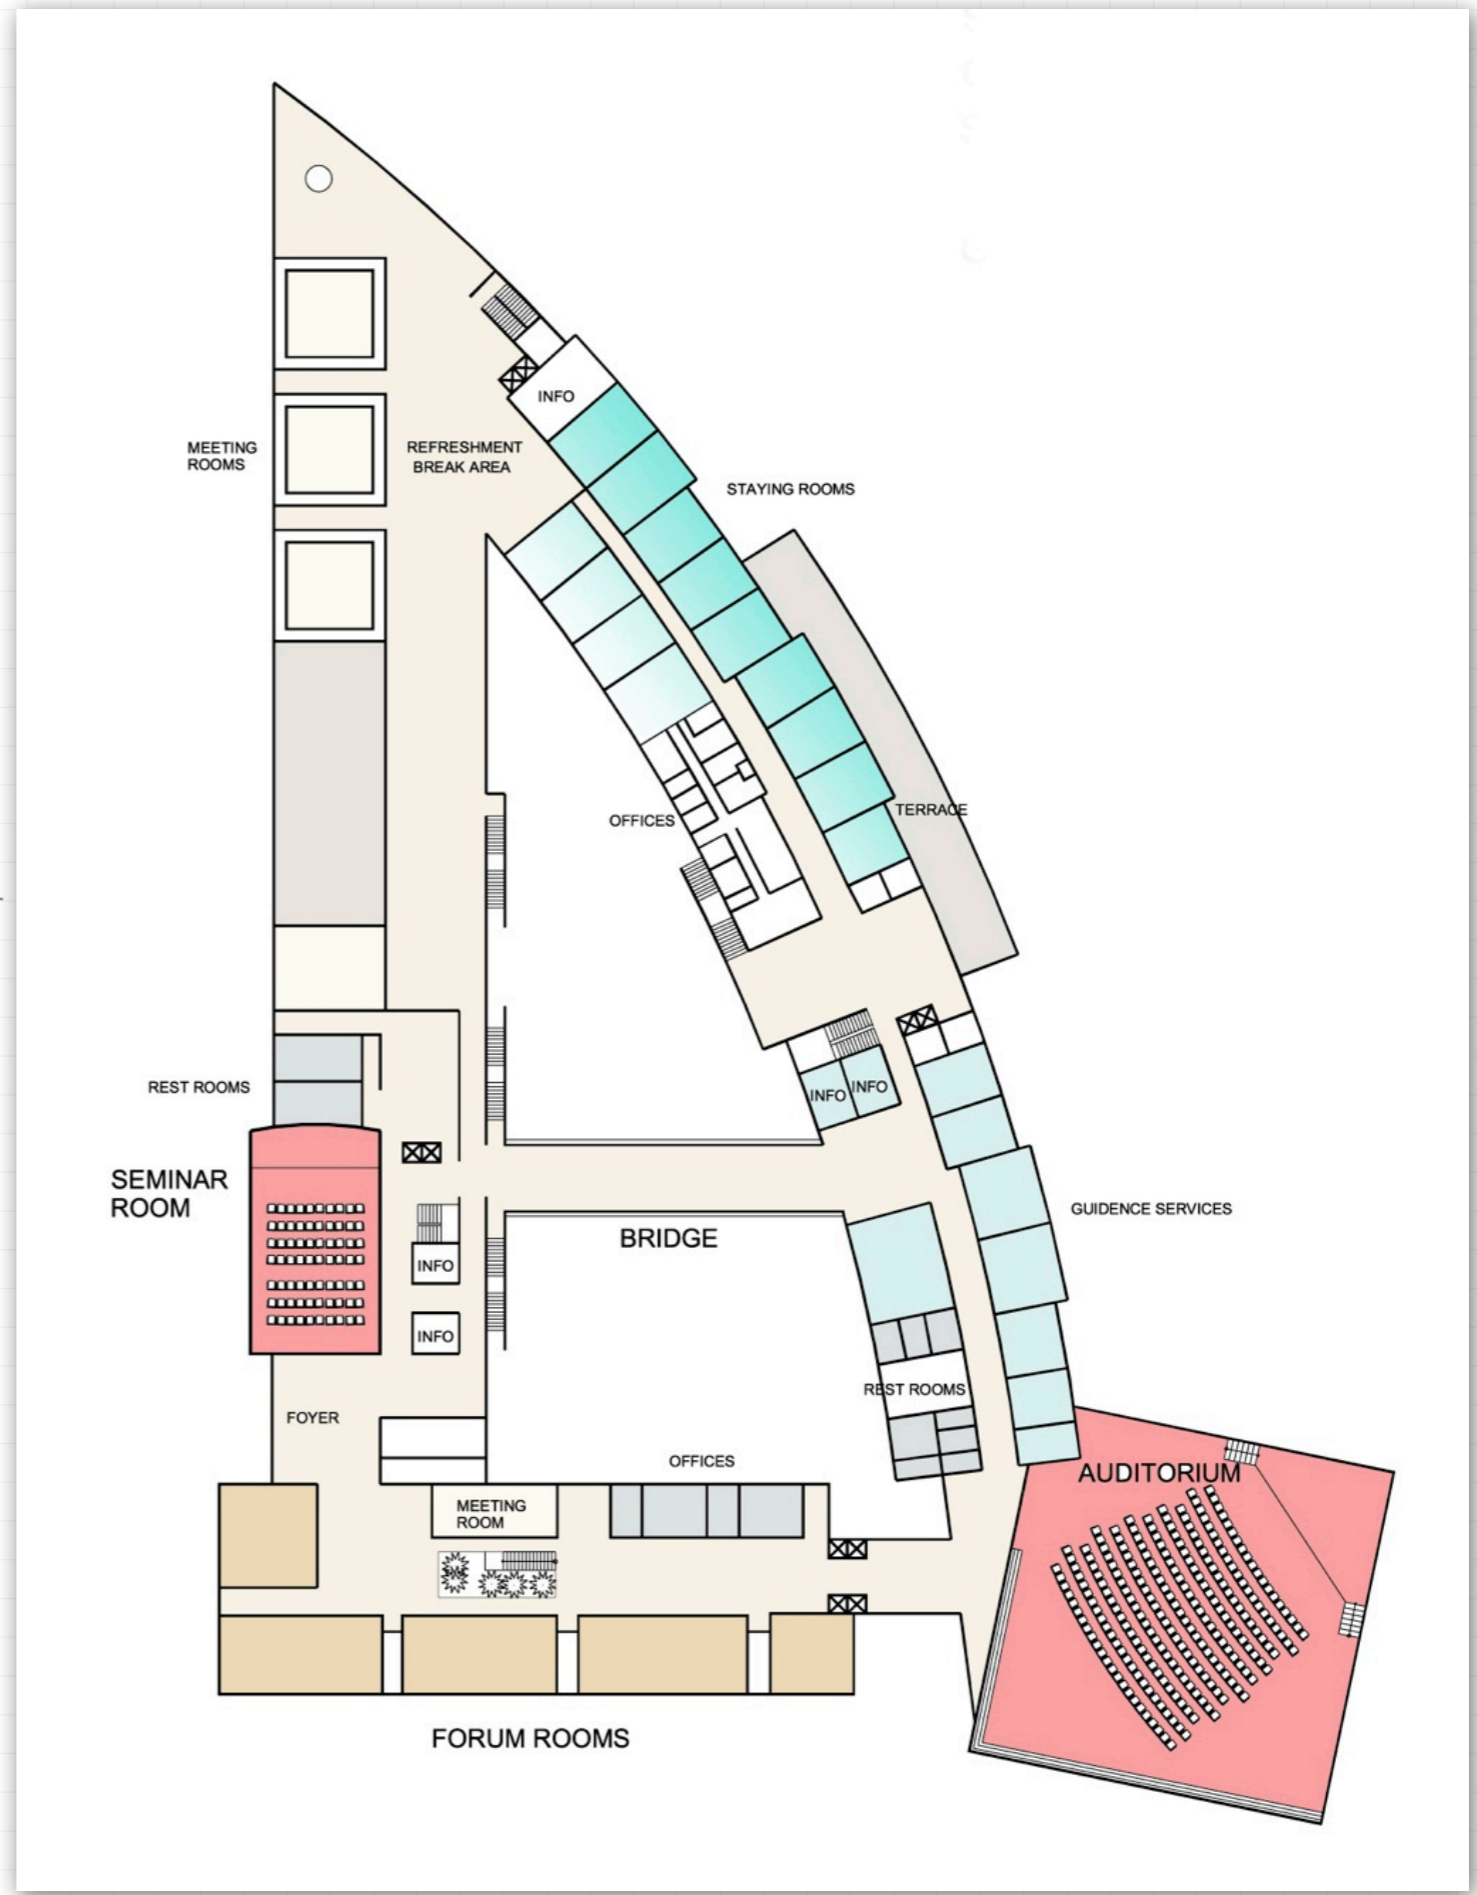

A shaped building includes an atrium which provides a square space for people con meet, spend their time for resting and share their ideas. A shaped buildign is simply formed with 3 main parts. Arc shaped part includes job training classes and this area serves as training centre. Big auditorium connects this arc shaped part and second part. This second part includes office floor by floor. Cause main entrance.

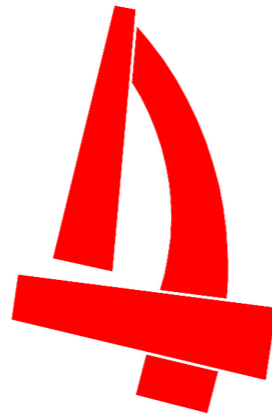

MEETING FACILITIES

SECOND FLOOR PLAN

- Executive
- Conference Board Rooms
- Forum Rooms
- Senate Suites
- Team Decision Center

'A building' for building the future

SECOND FLOOR PLAN
